Petition dated the 3rd August 1931, from Mr.P.Narayana Iyer, Retd. Dist. Sheristadar, Frank & Co., Marikuppam,(K.G.F). to the Collector, Civil and Military Station, Bangalore.

With reference to your memo No.2071-D-31 dated 9th July 1931 forwarding a copy of the Schedule of land needed for widening the corner at the entrance into Joughpolyam, Ulsoor and calling for a statement in writing, of any objection to the proposed acquisition I most respectfully beg to state as follows:-

When the Old Madras Road was first formed a portion of my house was acquired reducing the house to the present condition and the shop was built leaving sufficient place in front and it is situated far behind the road and does not in the least interfere with the traffic in the road. A kind inspection of the place will show that what I represented is quite true. If the shop is acquired, as per proposal, the house will be very much deformed and the accomodation will be reduced to the utmost limit putting us to the greatest inconvenience. I therefore humbly pray that the question of the acquisition of the shop, may kindly be reconsidered and the same allowed to exist as it is. In this connection I beg to bring to your kind notice that I have mortgaged this shop to one Hanumanthappa Chetty some 9 years ago for a sum of Rs.300/- and the shop is now in his possession. He has also paid the Municipal Taxes which should also has to be paid to him before redeeming it from him. The shop being the first in the shop row is a valuable one and will cost at least Rs.600/- on account of its prominent and convenient position for commercial - purposes. If the Government still insists in acquiring the shop I beg that a compensation of Rs.600/- at least may kindly be awarded to me before acquiring the same taking the present market value. As I am sick and bed ridden, I am unable to submit my humble representation in person. I have therefore submitted this by Registered Post and pray that you may - graciously be pleased to consider my representations favourably

Petition dated the 3rd September 1931, from Mr. B. Narayana Iyer, Retd. Dt. Sheristadar, Marikuppam, K.G.F., to the Collector, Civil and Military Station, Bangalore.

With reference to your Notice No. 2071-D-31, dated 25th ultimo informing me that my objections to the acquisition of Premises No. 34, Old Madras Road, for the purpose of widening the corner at the entrance into Joughpolyam, Ulsoor, will be heard on the 4th Sept/31 I humbly and respectfully beg to state that owing to my ill-health and inability to travel I am unable to attend your office in person. As already requested I again pray that you may graciously be pleased to inspect the place as to whether it in any way interferes with the traffic in the road and is not far far behind the main road and kindly reconsider the question of its acquisition and if satisfied as to the truth of my representation allow the premises to remain as it is, as its removal will badly deform the house and put me to very great inconvenience and loss. This is all my humble prayer for your kind and generous reconsideration. If, inspite of all this representation you are still of opinion that the premises should be acquired I beg that a compensation of Rs. 600/-, as already asked for, may be ordered to be paid to me.

I request that an endorsement as to your decision may kindly be granted to me.

1) The building does interfere with traffic, and by removing it, the junction will become less dangerous.

2) This acquisition will make no difference to the house, but on the other hand the proposal will improve it.
